

DECLARATION OF COMPATIBILITY

Diamond SA guarantees that its E-2000® connector and corresponding adapter are designed and manufactured according to the international standard IEC61754-15 "Fibre optic interconnecting devices and passive components - Fibre optic connector interfaces - Part 15: Type LSH connector family" and are therefore fully compatible with third-party products manufactured in full compliance with this directive.

Please note:

The E-2000® product was developed and patented on an international scale by Diamond SA, hence the product manufactured and distributed by Diamond is to be considered in this regard as the original on the basis of which the above standard was drawn up.
